## Adults

**Lattés on the Library** Learn more about your neighbors and their experiences! Join us for a **weekly** coffee gathering to share personal stories with one another. Go to [boernelibrary.org](http://boernelibrary.org) for details!

**Lineage and Lemonade** In partnership with the Kendall County Genealogical Society and Cibolo Brewing Company, the library is hosting genealogy nights on **Wednesdays at 7pm**. Stop by the Family History Place on 114 E. Blanco Street for a refreshment and to let us help you find your family story!

## Exhibit

During the months of June and July the library is showcasing a special exhibit called **The Newest Americans**, which encourages visitors to see the United States and the immigration process through the eyes of new citizens representing over 20 origin countries. All photos were taken and interviews conducted in the moments immediately prior to and following two naturalization ceremonies in February and March of 2017.

## Children

**Summer Kickoff Party: African Safari** On **Saturday, June 1 at 10:30am**, families are invited to this lively performance of tales from Africa blended with highly energized percussion as presented by Kenyan storyteller/musician, Elizabeth Kahura. After the show, boys and girls can get their reading logs for our summer program, PLUS a free book!

**Closing Party: Magik Theatre Presents Jack and the Beanstalk!** On **Saturday, July 27 at 10:30am**, enjoy the hilariously fun take on this classic tale as presented by the acclaimed **Magik Theatre**. We will draw reading logs from two lucky readers to win an Amazon Gift Card!

## Teens

**Tell Your Story: Self-Publishing Comics in the Digital Era** On **June 28, from 1pm to 4pm**, join us for a discussion of comic book authoring and creation. We've teamed up with the Boerne Parks and Recreation Department to host comic book professionals for a day of art, discussion and snacks.

**Star Party at Boerne Lake** Join us on **Friday, July 19 at 8:30pm** for a night of stargazing with the San Antonio Astronomical Association (SAAA) at beautiful Boerne Lake. Our astronomy-filled event will feature star experts with their telescopes for dazzling night-sky experiences. Bring lawn chairs, blankets, and bug spray.
