The Boerne Police Department

I am pleased to present you with our 2019 Annual Report. This report contains statistical and informational data about our department to keep our community informed about public safety. This growing community we live in, and are proud of, remains relatively safe comparatively speaking.

The challenge of any growing city is to maintain excellent service, reduce crime, maintain staffing levels, predict future needs based on historical data, and maintain community support coupled with mutual respect from those we serve. This annual report contains significant accomplishments throughout the year and some insight as to where we want to be in the future. We have increased our interaction with the community as is documented in this report and continue to work closely with our school district to protect our children.

Our commitment is to keep this community safe and protect our citizen's which is the basic foundation of policing. We are especially mindful that every police department needs to maintain a high level of trust and respect within their respective communities. We are fortunate to continue to have that type of support in this community and we work hard at maintaining it by never taking it for granted.

As mentioned in previous years, it truly is an honor to lead this agency, and have such a committed group of police officers and civilians that strive to provide excellent service to those in our community. In conclusion, we look forward to the challenges of a growing community and appreciate the continued support we enjoy from the staff, the city manager, council, and our citizens.

Jim Kohler
Chief of Police

Recognized Law Enforcement Agency

The Boerne Police Department Receives “Recognized Law Enforcement Agency” from the Texas Law Enforcement Recognition Program

On March 8, 2012, the Boerne Police Department received the award of “Recognized Law Enforcement Agency” from the Texas Police Chiefs Association Law Enforcement Recognition Program. Begun in 2007, the Recognition Program evaluates a Police Department’s compliance with over 164 Best Business Practices for Texas Law Enforcement. These Best Practices were carefully developed by Texas law enforcement professionals to assist agencies in the efficient and effective delivery of service and the protection of individual’s rights. These Best Practices cover all aspects of law enforcement operations including use of force, protection of citizen rights, vehicle pursuits, property and evidence management, and patrol and investigative operations.

A recognized agency must be audited every four years to maintain their status as “Best Practices.” In 2016, an audit was conducted by the Texas Police Chiefs Association and the Boerne Police Department was re-recognized for their “Best Practices Recognition Program.”

Patrol Division

The patrol division plays a very important role as the face of the police department. The patrol officers are the ones out on the streets interacting and working with the community to keep everyone safe.

The duties of the patrol division include enforcing traffic laws and criminal laws, assisting motorists, responding to calls for service, and assisting the community. The patrol unit responds to all types of calls including EMS calls, Fire calls, disturbances, possible intoxicated drivers, and even ducks in the roadway. The patrol division attempts to be as proactive as possible in reducing crime by being visible throughout the day patrolling neighborhoods and enforcing traffic violations.

The Boerne Police Department patrol division is comprised of 24 hard working and dedicated patrol officers. There are currently 4 patrol Sergeants who supervise the patrol officers. The patrol division functions 24 hours a day, 7 days a week, and 365 days a year.

Criminal Investigations Division

The Boerne Police Department's Criminal Investigation Division (CID) is supervised by Lieutenant Cody Lackey. The division consists of an Investigations Unit, a Narcotics Detail, and the Property and Evidence room. CID consists of four detectives, one administrative assistant, and one property and evidence technician, while the Narcotics Detail consists of two additional detectives.

The detectives are responsible for investigating crimes within our community that are reported to the patrol officers in the field. In 2019, the detectives were assigned 1000 cases which averaged 83.3 cases a month. Detectives have attended specialized training in gathering of facts and collecting evidence for criminal cases. They conduct interviews, examine records, observe the activities of suspects, process crime scenes, and participate in raids and arrests. Our detectives are continually being cross trained to handle all types of criminal offenses / incidents. This approach establishes a more rounded detective who is trained with the latest techniques in all offenses rather than being limited to one specific type of offense.

Consequently, through a "team effort" combined with detailed investigations, our goal is to solve as many cases as possible. Services for the victim are sought as needed and the case report is then referred for prosecution to the Kendall County District Attorney's Office.

School Resource Officers

This year's School Resource Officer assignments are as follows (from left to right):

Officer Ruben Trevino – Champion High School

Officer Doug Meuth – Boerne High School

Officer Michael Pease – Currington Elementary

Officer Keith Faulkner – Boerne Middle School South

Officer Michele Van Stavern – Boerne Middle School North

Officer David Chavez– Fabra Elementary

Currently, the Boerne Independent School District (BISD) is comprised of 2 High Schools, 3 Middle Schools, 7 Elementary Schools, and 1 Alternative Campus. Approximately 10,000 students and 1,300 staff members make up the heart and soul of the district. In conjunction with 1 Kendall County Sheriff Deputy, 6 Boerne Police Officers hold the prestigious title of School Resource Officer (SRO). Each officer endures a lengthy and competitive selection process to ensure the demands of the position can be met upon assignment. Qualities such as professionalism, dedication, empathy, and compassion are the core of every SRO.

Despite the officer's new title, the primary goal for all SRO's remains the same, to protect and serve. This is done by its community policing mentality. Developing strong, meaningful relationships with students, parents, and staff is considered paramount. Each officer is highly trained, and provides a wide range of resources for BISD. SRO's are more than just law enforcement for the campus, SRO's are counselors, mentors, and role models for our community. As a result, SRO's find themselves directly involved in school events, student education/well-being, and general safety.

The SRO's often serve multiple roles in the community by taking on additional responsibilities such as serving as negotiators, participating on the emergency response team, and operating drones and ground robots. Countless hours are spent refining their skill set so students can enjoy a safe learning environment.

School Resource Officers

Communications

The Boerne Police Department Communications Division provides 911 dispatch services to all of Kendall County and City of Fair Oaks Ranch. The division dispatches for seven law enforcement agencies, seven fire departments, EMS, animal control, and after hours utility calls. Last fiscal year the division had an 8% increase in calls for service. Staff consists of 13 Public Safety Telecommunicators, two dispatch supervisors, and one Communications Manager. Dispatchers are certified through the Texas Commission of Law Enforcement and provide emergency dispatch services 24 hours a day, seven days a week.

Records and Administration

The records and administrative duties of the police department are performed by our administrative team, consisting of Andrea Wade, Ryan Cook , Heather Heflin, and Maria Guerrero (L-R). Among many other duties, this team manages the collection, dissemination, maintenance, filing, retention, and control of all departmental reports and documents.

Administrative duties also include the development of reports for national and state agencies as mandated by law. The continued maintenance of the department's budget and equipment inventories, including warranties and general maintenance schedules also fall under their day to day function. This team handles all internal human resource needs and facilitates those issues with our city HR team. We are very fortunate to have this dedicated team who always possess an outstanding attitude and are customer service focused with external and internal customers alike.

ERT (Emergency Response Team)

The Boerne Police Department currently has 10 police officers dedicated to the Boerne Police Department Emergency Response Team (ERT) and is commanded by Captain Steve Perez. The team is led by Team Leader Lieutenant Mitch Scoggins, Assistant Team Leaders Officer Bo Patton and Officer David Chavez.

This team remains comprised of two separate units; a tactical team and a crisis negotiations team. Both teams train regularly to ensure their skills and tactics don't diminish. It is imperative that both teams maintain a close working relationship as information obtained by each team during an actual event are crucial to a successful resolution.

Members of the tactical team have all been through specialized training and are certified SWAT operators. The tactical team trains for 4 to 8 hours every month on areas such as breaching, entering buildings, team movements, officer extractions, high-risk warrant service, firearms training, tactics, and many other areas that encompass the duties that would be performed by this specialized unit. Finding training locations in the community continues to be a challenge, but through the support of this community, the tactical team has been able to utilize several structures that were scheduled to be demolished. These training sites have been an invaluable tool and we would like to express our gratitude to those who have assisted with providing or facilitating those training locations.

In order to become a member of the ERT, Boerne Police Officers must be recommended by their immediate supervisor, and then pass a series of tests to include physical testing, firearms proficiency, and go through a board of the team's hierarchy to determine if they are a good fit for the team. Each testing segment holds higher standards than the rest of the Department due to the discipline and dedication required as an ERT Member.

The second component to the ERT is the Crisis Negotiations Team led by Officer James Schmidt. This team continues to train on planning/gathering intelligence to understand who or what they are dealing with, hostage negotiations, and paying attention to intricate details that would be crucial to relay to the tactical team prior to putting officers at more risk than is absolutely necessary.

The members of the Boerne Emergency Response Team continue to strive towards perfecting their skills. Their dedication to the team, Department, and community is truly admirable.

ERT in Action

Crisis Negotiations Team

The Boerne Police Department currently has 13 members on the Crisis Negotiations Team (CNT). These team members are dedicated to responding to crisis events. The team is commanded by Captain Steve Perez and supervised by the team leader James Schmidt. The team works hand in hand with the Boerne Emergency Response Team (ERT) and trains regularly in scenario-based training to ensure a good working relationship between teams. The cooperation of these teams is crucial in a crisis event as both teams are often required for a safe resolution. The team is comprised of officers from multiple areas to include Patrol, CID, and SRO.

To become a member of the CNT an officer must be recommended by a supervisor and be dedicated to the negotiator's approach. Members of the CNT must attend a specialized course and become certified Hostage Negotiators. They also train together for 4 hours a month. This training can include both instruction-based classes and Scenario training. The instruction-based classes pertain to dealing with different types of subjects in crisis events and how certain mental illnesses might play a role in a subject's behavior. These could include but not limited to PTSD, Anxiety, Depression, Schizophrenia or Psychosis to name a few. Scenario-based training includes dealing with subjects that are suicidal, barricaded, or hostage situations. The CNT utilizes many different venues to train to allow for the most versatility in a real-life incident.

K9 Detail

The Boerne Police Department K-9 Detail is comprised of two K-9 teams; K-9 Tucker with Officer Pedro Moncada and K-9 Emma with Officer Brandon Goudreau. Both dogs are considered sworn members of the Department and are used to find missing persons, track criminals, conduct building searches, detect narcotics and protect their handlers if the need arises. Boerne PD's K9 program has proved to be an invaluable asset to the department and has shown excellent success. Both K-9 teams are currently assigned to the patrol division. Both K9 Emma and Tucker were graciously funded by the Boerne Police Foundation.

Officer Goudreau & Emma

Officer Moncada & Tucker

K9 Tucker

Tucker is a 4-year-old Belgian Malinois. Tucker was born in Europe, where she started her initial training. Once she was purchased by Pacesetter K9, Tucker continued her training in Liberty Hill, TX. She was trained in narcotic detection and tracking. Tucker and Officer Moncada attended training in August of 2018 where they passed state certifications. In March of 2019, Tucker and Officer Moncada received their second certification, through National Narcotics Detector Dog Association. Tucker has assisted officers in numerous traffic stops since August of 2018. Tucker has been deployed 167 times which resulted in 63 arrests. Tucker has assisted in locating 436.1 grams of marijuana, 249.4 grams of methamphetamine, and 162.8 grams of cocaine. Tucker also assisted in locating \$20,000 in a vehicle and tracking a felon who fled from a house burglary.

K9 Emma

K9 Emma is a 2 year old Belgian Malinois/German Shepherd mix. The mix of these two breeds creates a hybrid law enforcement-ready work dog that is extremely agile and has an excellent sense of smell. K9 Emma is a Dual-Purpose Patrol dog. She is trained in criminal apprehension, tracking, and narcotics detection. K9 Emma was purchased from Czechoslovakia and then trained at Pacesetters K9 in Liberty Hill, Texas. K9 Emma and her handler Officer Brandon Goudreau, attended a 4 week training course at this location. Officer Goudreau trains with K9 Emma every day to keep their skills sharp. K9 Emma has been on the streets of Boerne since June of 2019. Since then, K9 Emma has been deployed 61 times. Emma has assisted in locating a total of 6.7 kilos of Marijuana/THC, 29.1 grams of Methamphetamine, over 90 items of drug paraphernalia and a stolen handgun!

Community Policing Event Officer

Officer Foley is the Community Policing Event Officer for the Boerne Police Department and is in charge of coordinating all special events in the City. Each event has become larger due to the city's growth. The Corvette show, Rod Run and Dickens on Main are the city's largest events that we provide security for every year. Dickens on Main was the largest with 8,000 to 10,000 spectators each day. Officer Foley assisted with various permits in coordination with the Parks and Recreation Department. Officer Foley attends several meetings per event and works most of the events as well. A lot of planning and scheduling goes in to these events.

In addition to special events, Officer Foley teaches the Civilian Response to Active Shooter Events (CRASE) and the Alert, Lockdown, Inform, Counter, Evacuate (ALICE) course throughout the city.

Officer Foley also coordinates National Night Out, by corresponding and soliciting neighborhoods throughout the city to participate in the event. This again requires a lot of planning and leg work on her part.

Community Policing

The Boerne Police Department spends much of its time and resources on Community Policing. Community policing is the practice of working with the community to better protect and serve its citizens. The Boerne Police officers enjoy interacting and getting to know the community it serves as much as possible.

Officers Meet and Greet with the local Boerne Boy Scouts.

Officers bike patrolling during the annual 4th of July Fireworks show.

Officers at Boerne Lake with a few boy scouts!

Community Policing

Officer Fuentes shows off his Patrol Unit!

Boerne PD teams up with our local Wal-Mart to educate citizens.

Officers cool off from the hot summer sun with some fresh lemonade.

Community Policing

Officers take a break with citizens during Coffee with a Cop event.

Halloween Patrol

Officers participate in the Kendall County Citizens Law Enforcement Academy Alumni Association Annual Back the Badge 5k Run. Boerne PD wins the LEO Team Challenge!

Community Policing

Officers Visit with Santa Paws to help foster dogs get adopted!

Down, Set, Hike! Its Football Time!

Cops take over at Black Rifle Coffee Company!

Community Policing

Officer Van Stavern returns home from the hospital after recovering from her injuries after she was struck by a vehicle.

Officers interacting with local kids!

National Night Out

25 Confirmed Events

1,000 People Participated*

Approximately 8.1% of the population of Boerne (16,056) participated per last census in 2018.

*Each NNO Officer estimated the attendance at their NNO event.

Officer Foley utilized social media to interact with and inform citizens in the community about the location and times of NNO events in Boerne. Officer Foley met with event planners and followed up through email or phone calls. Several officers have worked for several months to build partnerships with NNO event planners and community members. These partnerships allowed us to experience another successful National Night Out in Boerne for 2019. This was our first year participating in Category 4 (for areas with 15,000-50,000 population). We are happy to announce that Boerne ranked #39 in Category 4 for all the cities in the United States. This marks the fifth year in a row the Boerne Police Department and City of Boerne residents have won an award for this event.

National Night Out

Boerne Explorer Program

In 2019 the Boerne Police Department reintegrated their Law Enforcement Explorer Program. The Explorer program is intended to show youth between the ages of 14 and 20 the many career opportunities available in law enforcement.

Program training areas include, but are not limited to, patrol tactics, forensics, communications and criminal investigations. Exploring provides experiences to aid young people in their development in becoming responsible and caring adults. The program teaches key skills such as leadership, ethical insight and decision-making.

Explorers can also become involved in special events, participate in ride-alongs, travel to different places around the state and nation to participate in competitions and receive scholarships.

In 2019, Boerne PD Officers judged several explorer competitions. In June Officers judged the Felony Traffic Stop scenario at the Alamo Area Police Chiefs Association Junior Law Enforcement Competition. In October, Officer's judged the Domestic Violence Scenario at the Law Enforcement Exploring Competition.

Boerne Explorer Program

Citizen's Police Academy

The Citizen's Police Academy was designed to inform and educate our citizens on how our officers are trained. The participants are provided class room instruction and hands on training on many aspects of police work. The Academy consists of three hours of instruction each Wednesday night for 12 weeks. One of the goals of the Boerne Police Department is to create a membership of alumni who can volunteer their services to further support our department.

The academy includes, but is not limited to, blocks of instruction on Investigations, Patrol, Traffic, Courts, Emergency Response Team, DWI's, Taser, CRAZE training and Firearms . Additionally, those in attendance are able and encouraged to ride along with officers at their convenience. In this capacity, officers will forge an even stronger relationship with those we serve.

Law Enforcement Management Institute of Texas Academy

In February, Lt. Scoggins graduated from the Bill Blackwood Law Enforcement Management Institute of Texas-Leadership Command College, Class 83. The Leadership Command College is the most comprehensive program offered at LEMIT and is often compared to the FBI National Academy. The nine-week program is designed to provide law enforcement executives with the knowledge and skills necessary for successful leadership in a modern law enforcement agency. The class is made up of 25 Law Enforcement Executives from 25 agencies from around the State of Texas. Out of the 25 officers, Sgt. Scoggins was selected by his classmates to be the speaker for the class graduation. Congratulations, we are proud of your hard work and dedication!

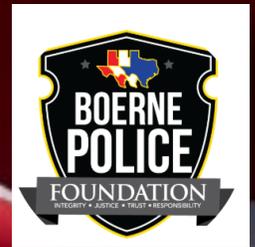

No Shave November

In 2019 , The Boerne Police Department again participated in “No Shave November” from November 1 through December 31. All proceeds and donations were collected to assist Boerne Telecommunications Officer Jason Abbott who is battling cancer.

Boerne Police Foundation

The Boerne Police Foundation is a nonprofit 501(c)(3) corporation formed to facilitate donations of money and resources, which are used to benefit local law enforcement officers and their families. The Board Members volunteer their time and are not paid for their service to the Boerne Police Foundation. All donations to the Boerne Police Foundation are tax deductible.

Board of Directors

- Rey de la Fuente
- Cody Blackmon
- Melissa Bendlee
- Travis Roberson
- Misty Stout
- Lloyd Voigt
- Sandra Ford

Boerne Police Officer's Association

The Boerne Police Officer's Association is a non-profit organization that is comprised of sworn and non-sworn Boerne Police Department personnel. The Association strives to improve the community and the citizen's quality of life. This is accomplished by remaining involved with the community by participating in fundraisers, local events for non-profit, and much more. For example, the yearly Blue Santa Event, the BPOA "Share the Warmth" yearly cold weather coat drive, the city wide Easter Egg Hunt in conjunction with the City of Boerne Parks Department and much more. The BPOA is dedicated to having positive contacts with our citizens outside of a law enforcement capacity.

The BPOA Blue Santa Event

The annual BPOA Blue Santa Event this year is a collective effort between the BPOA, Kendall County Sheriff's Office, Kendall County CPS, and the Hill Country Family Services. The organizations divide a list of needy families in the area and toys are donated or purchased new and handed out during the event which was held at Kronkosky Place this year. This year's event would not be possible without the generous donations by our local community business'.

Awards and Recognition

James Schmidt
"Officer of the Year"

Brittany Schmidt
"Dispatcher of the Year"

Amy Breedlove
"Fit For Duty"

Cheyne Weber
"Top Gun"

In addition to the awards above, the following personnel were recognized for scoring a maximum 200 points on their annual PT test:

Officers B. Rowe, Bilotta, Binkley, Meuth, Guess, Breedlove, Chavez, Estrada, L. Rowe, Norbery, Chris Padilla, Pease, Scoggins, Irvin, Walk, Records Clerk Wood and Cook.

Merits and Complaints

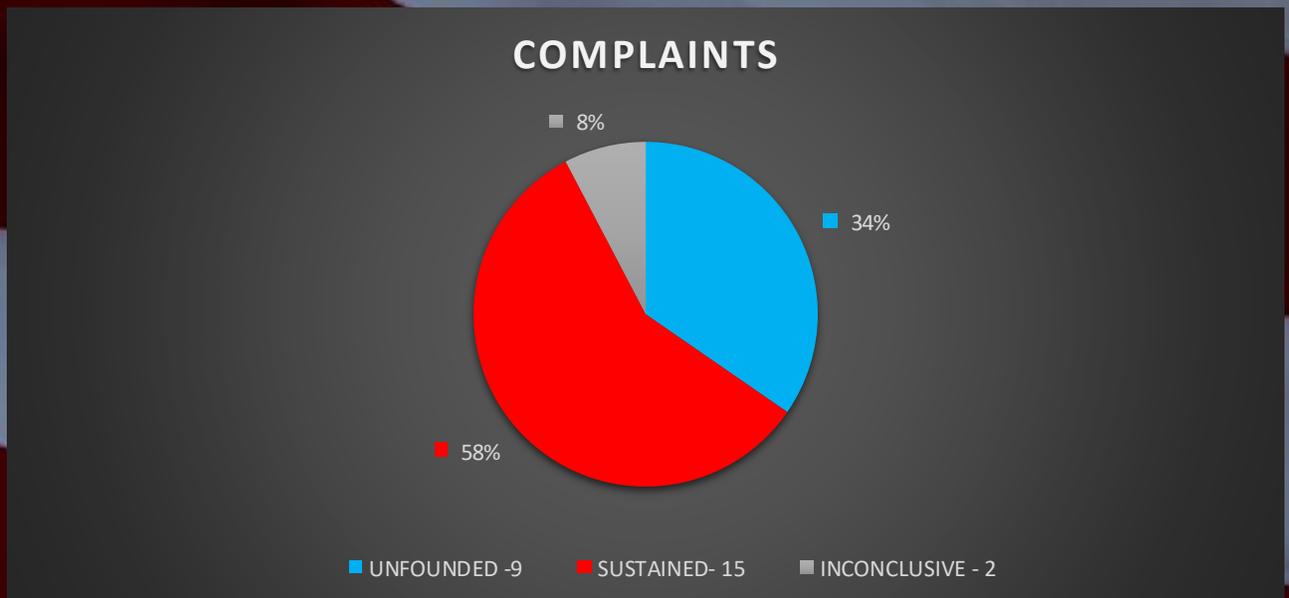

In 2019, 53 merits for outstanding service were issued; Many of these merits were initiated by those we serve, lending further credit to the caliber of employees that makeup the Boerne Police Department and a direct result of administration's effort to provide unparalleled service. Congratulations to all and keep up the good work!

In an effort to ensure accountability within the department, we track all complaints. This includes origin as it relates to an internal or external complaint. In 2019, we documented 26 complaints. In the handling of complaints, a supervisor will follow up with the complainant and exhaust all avenues to ensure our department maintains the level of professionalism our citizens and this community deserves. Of the 26 complaints, 9 were unfounded, 2 were inconclusive and the remaining 15 were sustained, and as such, resulted in disciplinary action. Of the 26 complaints 13 were internal complaints while the remaining 13 were external complaints.

Definitions:

The Chief of Police will classify completed internal affairs investigations as:

1. **Unfounded** - no truth to allegations or allegations true, but are the result of adherence to departmental policy or procedure. Exonerated complaints will be reviewed by the Chief of Police for policy issues.
2. **Inconclusive** - unable to verify the truth of the matters under investigation.
3. **Sustained** - allegations are true.

Racial Profiling Statistics

The chief administrator of the agency, regardless of whether the administrator is elected, employed, or appointed, is required to submit an annual report of the information collected under Subdivision (6) to:

(A) the Commission on Law Enforcement; and

(B) the governing body of each county or municipality served by the agency, if the agency is an agency of a county, municipality, or other political subdivision of the state.

NIBRS Statistics

National Incident– Based Reporting Systems (NIBRS) is an incident–based reporting system used by law enforcement agencies in the United States for collecting and reporting data on crimes. Local, state, and federal agencies generate NIBRS data from their records management systems.

The Year in Review

National Night Out

In 2019, the Boerne Police Department again participated in the National Night Out award category #4. Category #4 factors cities with populations between 15,000-50,000 people. This year Boerne officially registered with NNO and won an award that is listed on the National Night Out website by placing 39th in the nation!!! This marks the fifth year in a row the Boerne Police Department and City of Boerne residents have won an award for this event.

Citizens Police Academy (CPA)

We held another joint CPA class for 2019 that was made up of citizens from Boerne, Fair Oaks Ranch, and Kendall County. We continue to look for ways to engage/expose the public to law enforcement and why we operate in the way we do. This allows our citizens to be better informed and to for us receive feedback from our citizens on how we may change to make our departments better.

No shave November

In 2019, The Boerne Police Department participated in “No Shave November”. This was the second year the PD has participated in the event. The event was used to raise funds for Telecommunications Officer Jason Abbott who is battling cancer.

K-9 Unit

In 2019, The Boerne Police Department added a second K-9 Officer to the department. K-9 Emma and K-9 Tucker have since been used in narcotics detection as well as tracking. Both K-9’s are an invaluable asset to our department and we are glad to have them be part of the team.

Boerne Police Explorer Program

In 2019, The Boerne Police Department reinstated its Explorer program. The program is designed to give local youth an opportunity to learn with and train with Officers. This program is great for any youth who wants a future in a law enforcement career.
