

RESIDENTIAL GARBAGE COLLECTION

Waste Management, operating under a contract with the City, provides a 96-gallon waste wheeler for each residential waste collection account. Residents must use their 96-gallon green cart with a green lid for items considered trash. Boerne residents are limited to two carts for trash collection. To ensure collection, carts must be at the curb no later than 7:00AM on the scheduled collection day. You may set carts out after 5:00PM on the day prior to scheduled collection. Carts must be removed by noon the following day.

RECYCLING SERVICE

Waste Management provides recycling service each week under a contract with the City. The service is included as a part of your monthly solid waste fee. Waste Management provides a 64-gallon waste wheeler for your recyclable items. All items can be placed together in the container. The items must be LOOSE and not bagged.

Acceptable Items include paper, plastic bottles and containers, glass bottles and jars, flattened cardboard and paperboard, tin and aluminum cans, and food and beverage cartons. Do not recycle food waste and liquids, plastic wraps or bags, or foam products.

CART INFORMATION

Trash goes in the green cart with the green lid. All trash must be inside the cart. Waste Management will not collect trash outside the cart. Recyclables go in the green cart with the yellow lid. All recyclables must be loose inside the cart. Waste Management will not collect recyclables outside the cart. Do not overfill carts. Lids must be closed securely. Place carts 5 feet from obstructions, such as vehicles or mailboxes, and within 1 foot from the curb or fence. Place carts 4 feet apart with the handles facing your home or fence. Do not obstruct the collection of carts or bulk items by parking vehicles in the vicinity. The automatic lift that empties the waste wheeler containers can handle up to 175 pounds, so avoid placing rocks, dirt, and other heavy items in the container.

Despite best efforts, scheduled collections are occasionally missed. If your collection is missed, please call Waste Management as soon as you can at 800-800-5804.

If your cart is stolen or damaged, please call the Customer Service Office at (830) 249-9511 and we will order a replacement for you.
