## **MEDIA ADVISORY – JUNE 10, 2021**

### ***Boerne Police to recognize two Eagle Scouts, dedicate new K9 training facility***

Please see the following information for a special dedication and ribbon cutting ceremony on Saturday to add to your weekend assignments calendar. Let me know if you will be sending a reporter or news crew out and I will help coordinate with them video, sound and pictures. And, yes, there will be police K9's at the event.

**Who:** Boerne Police and two local Eagle Scouts.

**What:** Dedication and ribbon cutting ceremony for new outdoor facilities at the Boerne Police Department – which includes a K9 wash area and K9 training area. The training area will ultimately be available to local and regional law enforcement agencies for training. It has already been utilized by the Kendall County Sheriff's Office and Gillespie County Sheriff's Office.

**When:** Saturday, June 12, 2021, at 11 a.m.

**Where:** 124 Old San Antonio Road – behind the main building (parking located in the front)

**Why:** Recognition of two young men who have contributed to our community with these projects. Due to the pandemic the department had been postponing the dedication until it could be safely held.
