

MEDIA ADVISORY – DECEMBER 9, 2021

Early this morning, the Boerne Police Department received information on a threat, via social media, of the possibility of a school shooting being planned at Champion High School.

Boerne Police Officers and detectives immediately arrived at the school and started working with Boerne ISD and Champion High School officials to verify the validity of the threat. The Boerne Police Department is actively investigating this incident and is following up on any associated leads.

Out of an abundance of caution, additional officers have been assigned to Champion High School. As additional information becomes available, it will be provided to the public.
