Meeting Summary

This was a joint Zoom meeting for all B.O.N.D. items for the January Planning and Zoning Commission meeting. This request is for a special use permit for a short-term rental in a residential zoning district. Short-term rentals are leased properties for any amount of time shorter than 30 days.

Since the adoption of the UDC, our regulation requires STR to apply for a special use permit. The STR registered with the city before the adoption date is grandfathered and won't have to go through this process unless they lose their right of use.
