The mission of the Boerne Police Department is to work with our citizens to protect life and property, to prevent crime and preserve the peace in our community, in an open and transparent manner, consistent with the freedoms secured by the Constitution, always treating people with dignity, fairness, and respect.
The Boerne Police Department is pleased to present you with our 2021 Annual Report. As in the past, the report contains statistical and informational data about not only our department but our community policing efforts and overall crime statistics in our community. Growth continues to be the driving force of the community as it relates to the type and number of calls we receive. However, even with our growth, crime in general remains relatively low.

This year we saw the retirement of several senior officers to include long time Chief James Kohler and Sgt. James Gonzales which we wish all the best in their future endeavors. While this can be cause for concern, we have prepared for this eventuality and have had a robust succession plan in place which has allowed us to have officers ready within the department to step up and meet the new challenges and opportunities of a growing city and department. While our leaders have changed our focus remains in providing excellent service, proper response to crime, increasing staffing levels when necessary, predicting future needs based on historical data, leveraging technology, and most importantly treating everyone with dignity and respect.

While we continue to deal with various variants of COVID and weather-related events, our commitment is to keep this community safe and protect our citizen’s which is the foundation of policing. We also continue to see just how important it is for a police department to maintain a high level of trust and respect within our respective communities. We can only be successful at our job when we work together with a supportive community which we are very fortunate to have.

In conclusion, I would like to personally thank each and every officer, dispatcher, and staff of this great department for their strong work ethic and dedication to our community. Furthermore, I would like to thank the city manager, council, mayor and our citizens for their support which in turn allows us to provide the best service possible!

Officers for the Reserve Officer Program must meet the same standards as other members of the organization. Reserve Police Officers should fulfill two primary functions. First, Reserve Officers serve as auxiliary manpower in situations as needed and second, they provide an additional interactive link between the community and the police department. Reserve Officers are subject to all the applicable Rules & Regulations and training that govern regular sworn personnel.

The Boerne Police Department patrol division, supervised by Lt. Mitch Scoggins, is comprised of 24 hard-working and dedicated patrol officers. There are currently 4 patrol Sergeants who supervise the patrol officers during their 12-hour shifts.

The patrol division plays a very important role as the face of the police department. Our patrol division proudly sets a visible example of excellence in policing. They are the first to respond to the citizens of Boerne in need of assistance, and consistently provide a high level of service to the community.

The duties of the patrol division include enforcing traffic and criminal laws, assisting motorists, responding to calls for service, and assisting the community. The patrol unit responds to all types of calls including EMS calls, Fire calls, disturbances, possible intoxicated drivers, and yes even ducks in the roadway. The patrol division attempts to be as proactive as possible in reducing crime by being visible throughout the day patrolling neighborhoods and enforcing traffic violations.

Our patrol officers also provide protection for the community’s students by maintaining a strong presence in the City’s school zones. In 2021, the patrol division continued to face various hurdles presented by COVID-19 as well as the great ice storm of 2021. In addition to the above mentioned patrol duties, our dedicated patrol officers continue to work around the clock to provide the community with excellent customer service in all facets of the job.
The Boerne Police Department’s Criminal Investigation Division (CID) is supervised by Lieutenant Cody Lackey. The division consists of an Investigations Unit, a Narcotics Detail, and the Property and Evidence room. CID consists of four detectives, one administrative assistant, and one property and evidence technician, while the Narcotics Detail consists of two additional detectives.

The detectives are responsible for investigating crimes within our community that are reported to the patrol officers in the field. In 2021, the detectives were assigned 650 cases which averaged 54 cases a month. Detectives have attended specialized training in gathering of facts and collecting evidence for criminal cases. They conduct interviews, examine records, observe the activities of suspects, process crime scenes, and participate in raids and arrests. Our detectives are continually being cross trained to handle all types of criminal offenses/incidents. This approach establishes a more rounded detective who is trained with the latest techniques in all offenses rather than being limited to one specific type of offense.

Consequently, through a “team effort” combined with detailed investigations, our goal is to solve as many cases as possible. Services for the victim are sought as needed and the case report is then referred for prosecution to the 451st Kendall County District Attorney’s Office.
This year’s School Resource Officer assignments are as follows (from left to right):
Officer Eric Gomez – Fabra Elementary
Officer Doug Meuth – Boerne High School
Officer Michael Pease – Curington Elementary
Officer David Chavez – Boerne Middle School North
Officer Keith Faulkner – Boerne Middle School South and Kendall Elementary
Officer Ruben Trevino – Champion High School and Cibolo Elementary
Deputy Moore (KCSO) - Van Raub Middle School

The Boerne Independent School District (BISD) is comprised of 2 High Schools, 3 Middle Schools, 7 Elementary Schools, and 1 Alternative Campus.

Approximately 10,000 students and 1,300 staff members make up the heart and soul of the district. In conjunction with 1 Kendall County Sheriff Deputy, 6 Boerne Police Officers hold the prestigious title of School Resource Officer (SRO). Each officer endures a lengthy and competitive selection process to ensure the demands of the position can be met upon assignment. Qualities such as professionalism, dedication, empathy, and compassion are the core of every SRO.

Despite the officer's new title, the primary goal for all SRO’s remains the same, to protect and serve. This is done by its community policing mentality. Developing strong, meaningful relationships with students, parents, and staff is considered paramount. Each officer is a highly trained Officer and provides a wide range of resources for BISD. SRO’s are more than just law enforcement for the campus. SRO’s are counselors, mentors, and role models for our community. As a result, SRO’s find themselves directly involved in school events, student education/well-being, and general safety.

The SRO’s often serve multiple roles in the community by taking on additional responsibilities such as serving as negotiators, participating on the emergency response team, and operating drones and ground robots. Countless hours are spent refining their skill set so students can enjoy a safe learning environment.
The Boerne Police Department Communications Division provides 911 dispatch services to all of Kendall County and City of Fair Oaks Ranch. The division dispatches for seven law enforcement agencies, seven fire departments, EMS, animal control, and after hours utility calls. In 2021, the communication division received 56,797 calls for service. Staff members consist of 14 Public Safety Telecommunicators, two dispatch supervisors, and one Communications Manager. All dispatchers are certified through the Texas Commission of Law Enforcement and provide emergency dispatch services 24 hours a day, seven days a week.
The records and administrative duties of the police department are performed by our administrative team, consisting of Maria Guerrero, Cheryl Reed and Cheyenne Hernandez. Among many other duties, this team manages the collection, dissemination, maintenance, filing, retention, and control of all departmental reports and documents.

Administrative duties also include the development of reports for national and state agencies as mandated by law. The continued maintenance of the department’s budget and equipment inventories, including warranties and general maintenance schedules also fall under their day to day function. This team handles all internal human resource needs and facilitates those issues with our city Human Resource Department. We are very fortunate to have this dedicated team who always possess an outstanding attitude and are customer service focused with external and internal customers alike.
The Boerne Police Department Emergency Response Team (BPD ERT) is expected to perform at higher levels in all aspects of their work. The Emergency Response Team Operators undergo numerous hours of training to remain proficient with specialized skill sets. Training consists of, but not limited to, breaching, entering buildings, team movements, officer extractions, high-risk warrant service, firearms training, and general tactics. The overall goal is to minimize the risk to both the public and police officers.

The Emergency Response Team is comprised of two units, Crisis Negotiations (see page 28) and the Tactical Unit led by Lt. Mitch Scoggins. Currently, the tactical team has 2 five-man teams (Alpha and Bravo) and 1 team leader for a total of 11 operators. Members of the team are full-time patrol officers who selflessly dedicate their personal time to train and respond to requests from the police department's ERT commander.

Becoming an ERT operator carries substantial responsibility. Officers join the team by successfully completing a thorough screening process. Applicants begin by submitting a letter of interest. Officers must also be recommended by their immediate supervisor, and be in good shape. Applicants must be in good standing with the department and pass a board interview with existing operators of the team. Upon completion, candidates must pass a physical agility test in conjunction with a firearms proficiency test. Standards for both tests are considerably higher than patrol standards.

The second component to the ERT is the Crisis Negotiations Team led by Sgt. James Schmidt. This team continues to train on planning/gathering intelligence to understand who or what they are dealing with, hostage negotiations, and paying attention to intricate details that would be crucial to relay to the tactical team prior to putting officers at more risk than is absolutely necessary.

The members of the Boerne Emergency Response Team continue to strive towards perfecting their skills. Their dedication to the team, Department, and community is truly admirable.
The Boerne Police Department currently has 14 members on the Crisis Negotiations Team (CNT). These team members are dedicated to responding to people in crisis. The team is commanded by Assistant Chief Steve Perez and led by team leader Sergeant James Schmidt. The team works hand in hand with the Boerne Emergency Response Team (ERT) and trains regularly in scenario-based training to ensure a good working relationship between teams. The cooperation of these teams is crucial in a crisis event as both teams are often required for a safe resolution. The team is comprised of officers and dispatchers from multiple divisions, including Patrol, CID, Dispatch, and SRO.

To become a member of the CNT, a member must be dedicated to the negotiator's approach. Members of the CNT must attend a specialized course and become certified Hostage Negotiators. They also train together for 4 hours a month. This training can include both instruction-based classes and scenario training. The instruction-based classes pertain to dealing with different types of subjects in crisis events and how certain mental illnesses might affect a subject's behavior. These could include but are not limited to Post Traumatic Stress Disorder, Anxiety, Depression, Schizophrenia, or Psychosis, to name a few. Scenario-based training includes dealing with subjects that are suicidal, barricaded, or in hostage situations. The CNT utilizes many different venues to train to allow for the most versatility in a real-life incident.
The Boerne Police Department K9 Detail is comprised of two K9 teams; K9 Tucker with Officer Pedro Moncada and K9 Emma with Officer Brandon Goudreau. Both K9’s are trained to find missing persons, track criminals, conduct building searches, detect narcotics, and protect their handlers if the need arises.

In 2021, we had nearly 200 requests for deployments with 70 arrests. These requests came from not only fellow Boerne Police Officers, but our local, state and, county partners as well.

The Boerne Police K9 Detail also conducted numerous K-9 handling demonstrations for local community groups, educational institutions, and religious organizations. The Boerne Police K-9 unit appreciates the continued support it receives from local businesses such as the Kendall County Veterinary Center, for donating medical bags, and their veterinary services for both K9s.
K-9 Tucker joined the Boerne Police Department in February 2017. K-9 Tucker is a 6-year old female Belgian Malinois. K9 Tucker and her handler, Officer Pedro Moncada train in excess of 16 hours per month with other K-9 teams.

Officer Moncada and K9 Tucker spent countless hours training on their own on their days off. Tucker has been deployed over 357 times, and has assisted with a total of 129 arrests since August of 2018, when Tucker and Officer Moncada became a team. Tucker has assisted in taking over 3530 grams of marijuana, 298 grams of methamphetamine, 202 grams of cocaine, 16 grams of heroin and 20 grams of ecstasy off the street. They have also taken two guns off the streets and several thousand dollars were seized.

Officer Moncada and K9 Tucker attended several community events and do school presentations in the City of Boerne. Officer Moncada and K9 Tucker look forward to another exciting and rewarding year working for the citizens of Boerne and Kendall County.
K9 Emma is a 4 year old Belgian Malinois/German Shepherd mix. The mix of these two breeds creates a hybrid law enforcement-ready work dog that is extremely agile and has an excellent sense of smell. K9 Emma is a Dual-Purpose Patrol dog. She is trained in criminal apprehension, tracking, and narcotics detection.

K9 Emma was purchased from Czechoslovakia and then trained at Pacesetters K9 in Liberty Hill, Texas. K9 Emma and her handler Officer Brandon Goudreau, attended a 4 week training course at this location. Officer Goudreau trains with K9 Emma every day to keep her skills sharp. K9 Emma has been on the streets of Boerne since June of 2019.

Since then, K9 Emma has been deployed 144 times with a total of 92 arrests. K9 Emma has assisted in locating a total of 10.2 kilos of Marijuana/THC, 287.4 grams of Methamphetamine, 25.2 grams of Cocaine, 9 grams of Ecstasy, 6.6 grams of Heroin, $22,234.00 in U.S. Currency, over 200 items of drug paraphernalia and 9 stolen firearms.
Officer Foley is the Community Policing and Events Officer for the Boerne Police Department and is in charge of coordinating all special events in the City. Officer Foley assisted with various event permits in coordination with the Parks and Recreation Department. Officer Foley attends several meetings per event and conducts many hours of planning and scheduling in order to ensure each event are safe.

In addition to special events, Officer Foley teaches the Civilian Response to Active Shooter Events (CRASE) and the Alert, Lockdown, Inform, Counter, Evacuate (ALICE) course throughout the city. This year's major events were canceled and focus was placed on COVID protocols. Since Officer Foley is a Texas certified Licensed Paramedic, she has assisted with COVID testing and has been covering shifts that require man-power during this time.
The Boerne Police Department takes Community Policing seriously. Community policing is the practice of working with the community to better protect and serve its citizens. The Boerne Police officers enjoy interacting and getting to know the community it serves as much as possible.
COMMUNITY POLICING
Assistant Chief Perez and Lieutenant Lackey at National Night Out

K9 Officer Moncada and K9 Tucker at National Night Out
In 2021, Boerne National Night Out was our biggest event since 2015. This was our 7th year participating and applying for the awards program. Our National Night Out 2021 activities have once again been recognized by the National Association of Town Watch, Inc.

This year, we placed 19th out of 135. We climbed into the Top 20 for the first time ever amongst peer cities nationwide (population 15,000-50,000) with 135 cities in our group. Thank you to all the community members, event planners, and first responders, without your help this is not possible. We hope to see everyone next year!
Beginning in 2019, the Boerne Police Department re-established their Law Enforcement Explorer Program. The Explorer program is intended to show youths between the ages of 14 and 20 years old the career opportunities available in law enforcement. Program training areas include, but are not limited to, patrol tactics, forensics, communications and criminal investigations. Exploring provides experiences to aid young people in their development in becoming responsible and caring adults. The program teaches key skills such as leadership, ethical insight and decision-making. In 2021, the Explorers were assigned a uniform that consisted of a blue polo and dark navy pants. Basic equipment was also assigned: a black duty belt, a blue gun, blue gun holster, handcuffs, handcuff holder, handcuff key, keepers and a traffic vest.
The Boerne Police Officer’s Association is a non-profit organization that is comprised of sworn and non-sworn Boerne Police Department personnel. The Association strives to improve the community and the citizen’s quality of life. This is accomplished by remaining involved with the community by participating in fundraisers, local events for non-profits, and much more. For example, “Share the Warmth” the BPOA’s annual cold weather coat drive and the city wide Easter Egg Hunt. The BPOA is dedicated to having positive contacts with our citizens outside of a law enforcement capacity.

Blue Santa 2021

The Blue Santa Event 2021

The annual Blue Santa Event this year is a collective effort between the Boerne Police Department, Kendall County Sheriff’s Office, and Hill Country Family Services. The organizations divide a list of needy families in the area and toys are donated or purchased new and handed out during the event. This year’s event was a “Drive-Thru” held at the Kendall County Sheriff’s Office. This event would not be possible without the generous donations by our local community members and businesses.
Blue Santa 2021
The Boerne Police Foundation is a nonprofit 501(c)(3) corporation formed to facilitate donations of money and resources, which are used to benefit local law enforcement officers and their families. The Board Members volunteer their time and are not paid for their service to the Boerne Police Foundation. All donations to the Boerne Police Foundation are tax deductible.

AWARDS

Officer of the Year
Ramona Ramirez

Dispatcher of the Year
Christopher Yeagley

Fit for Duty-Female
Ryan Cook

Fit for Duty-Male
Lt. Scoggins

Top Gun
James Estrada
In 2021, 52 merits for outstanding service were issued; Many of these merits were initiated by those we serve, lending further credit to the caliber of employees that makeup the Boerne Police Department and a direct result of administration’s effort to provide unparalleled service. Congratulations to all and keep up the good work!

In an effort to ensure accountability within the department, we track all complaints. This includes origin as it relates to an internal or external complaint. In 2021, we documented 11 complaints. In the handling of complaints, a supervisor will follow up with the complainant and exhaust all avenues to ensure our department maintains the level of professionalism our citizens and this community deserves. Of the 11 complaints, 9 were unfounded, 1 was inconclusive, and the last 1 was sustained. Of the 11 complaints, all were external complaints.

Definitions:
The Chief of Police will classify completed internal affairs investigations as:

1. Unfounded - no truth to allegations or allegations true, but are the result of adherence to departmental policy or procedure. Exonerated complaints will be reviewed by the Chief of Police for policy issues.
2. Inconclusive - unable to verify the truth of the matters under investigation.
3. Sustained - allegations are true.
The chief administrator of the agency, regardless of whether the administrator is elected, employed, or appointed, is required to submit an annual report of the racial profiling information collected under Subdivision (6) of the Texas Code of Criminal Procedure to:

- The Commission on Law Enforcement Officer Standards and Education
- The governing body of each county or municipality served by the agency, if the agency is an agency of a county, municipality, or other political subdivision of the state

The Boerne Police Department chooses to report a Partial Exemption or Tier 1 Reporting. The agency is stating it routinely performs traffic stops or motor vehicle stops and the vehicles that routinely perform these stops are equipped with video and audio equipment in which these videos are maintained 90 days after the stop as per, Texas Code of Criminal Procedure Article 2.135.

2021 Racial Profiling Report
The Boerne Police Department’s 2021 Racial Profiling Report includes information on the number of traffic stops conducted by officers, as well as information on race/ethnicity, gender, searches, and results of stops. Below are key takeaways from the report. The full report can be found on our Web page.

- Total Traffic Stops: 4772
- Searches Conducted: 329
- Racial Profiling Complaints filed: 0
- Complaints resulting in disciplinary action: 0

For more information please visit the Official Boerne City Web page.
