Patron Behavior

Patrick Heath Public Library resources, facilities and services are available to persons of all ages. While everyone has an equal right to access library resources, services and facilities, no person has the right to interfere with the ability of others to use and enjoy the library. The Boerne Public Library Advisory Board (BPLAB) has adopted the following Patron Behavior Policy to reinforce the belief that library users and staff have a right to assume that visits to the library will be free from harassment, physical discomfort, danger, and/or psychological stress.

Unacceptable Patron Behavior

The policy of the Patrick Heath Public Library is to maintain the library as a pleasant environment that is conducive to serious study as well as casual use. The Library Director and staff are responsible for monitoring patron conduct on Library Premises (interior space and surrounding facilities and grounds). Anyone interfering with another’s use and enjoyment of the library will be asked to stop that behavior or activity. Warnings for children will be directed to the responsible person (parent, guardian or caregiver who is at least 16 years of age), if they can be located. If after one verbal warning no improvement is made, the staff member will ask the individual to leave the Library Premises. If the individual refuses to leave, the Boerne Police Department will be called for assistance.

The library considers the following acts to be examples of “Unacceptable Patron Behavior:”

- Exhibiting disruptive, uncontrolled behavior or exceeding acceptable noise levels;
- Loitering, unaccompanied by a child or teen, in areas designated for children, teens and families;
- Loitering on Library Premises without a specific library purpose (library purpose includes, but is not limited to, reading, studying, computer use, program attendance and quiet socialization and discussions);
