Several separate proposals could be placed on ballot

After several rounds of wish list reviews, the Boerne City Council has identified a roughly $50 million potential bond package after prioritizing projects earlier this year. One city council member sees the bonds as a more common solution to the city’s previous bond proposals.

The city council met again Tuesday and somewhat unexpectedly and quickly identified the top projects to prioritize in its first bond issue since 2007, where no tax rate increase was imposed. In its current state, the city is eyeing $15 million to finish Northside Community Park, $5 million for a second fire station with an express lane, $54 million to improve Adler Road, $55 million to improve intersections and install turn lanes across the city, $4 million for park improvements and $6 million for land acquisitions.

“I think all these projects we’re going to talk about, frankly, are important because they’ve been asked about,” Mayor Tim Hammann said.

The Boerne Parks and Recreation Department played host to its annual Easter egg hunt this past Saturday at Boerne City Lake. Hundreds of children, and their parents and guardians, showed up to take part in the fun. Activities included face painting and a visit with the Easter Bunny, top right, as 8-month-old Gavin Livingston sits on the holiday character’s lap accompanied by his 3-year-old brother, Lee. The family just moved to Boerne from Norwalk. There were four separate hunts for different ages of children, and in the age two and under division, Reese Duncan, 5, races to a good egg collection spot as she holds her 1-year-old sister, Texas, who ended up filling her basket (right) before she called it a day. Also running with the Duncan girls is a 7-year-old brother, Cade (colleagues, hat) and their mother, Andrea (green hat in background).

Drought worsens as Stage 2 restrictions go into effect locally

As rainfall basically has ceased in the county during the past several months, with numbers to date falling below those before the historic 2011 and 1991 droughts, the City and County Water Management District has moved into Stage 2 drought, consequent new water use restrictions.

During the greenhouse district’s monitoring Monday, the directors heard an update on hydrologic conditions across the state and found there was a lack of tropical storms caused by a La Nina weather pattern, leading to strengthening conditions. Further, the district’s 43 million wells are seeing decreasing water levels with the teaching record lows for the month.

The risen Jesus Christ isn’t a dream

KEITH E. DOMKE
MANAGING EDITOR

During Lent, the 40 days before Easter, many Christians focus deeply on God, following the teachings and example of Jesus. This is a time of sacrifice and reflection, but also a time of joy, as we remember our Lord Jesus Christ was crucified on the cross. Jesus is the reason for the season. As Christians, we believe that Jesus saved us from the punishment of our sins by His death on the cross – and He died for you, me and every human. He poured out His blood for our sins, forgiveness, and to gain eternal life. Christians. Jesus paid the price for all the sins in the world. He is the only way to God. There is no better message. This is the foundation of our faith. But it’s not just about what Jesus did for us; it’s also about what we need to do for Him. We need to live our lives in a way that pleases Him and honours His sacrifice. We need to strive to be good citizens, to treat others with love and kindness, and to follow the teachings of Jesus. We need to make sure that our actions are in line with His teachings, and that we are living a life that is pleasing to God. We need to pray, to read the Bible, and to seek God’s guidance in our daily lives. We need to ask God for wisdom on how to get that gift in us, even in the toughest situations in life.

-Ravi Zacharias

“Outside of the cross of Jesus Christ, there is no hope in this world. That cross and crucifixion are the only thing that will change your life. It is the only thing that will give you hope.”
