The mission of the Boerne Police Department is to work with our citizens to protect life and property, to prevent crime and preserve the peace in our community, in an open and transparent manner, consistent with the freedoms secured by the Constitution, always treating people with dignity, fairness, and respect.
2022 was a year of many personnel changes. As you may recall, Chief Kohler retired in October 2021 after 10 years as our Chief of Police and over 32 years total dedicated law enforcement service. Assistant Chief Jeff Page served as the Interim Chief of Police until February 2022 and retired honorably after almost 40 years of dedicated service. After Chief Page’s retirement, I was appointed as the new Chief of Police. This was a tremendous honor, and I was eager and willing to accept the challenges ahead. After my appointment, I quickly promoted Lt. Cody Lackey as my Assistant Chief of Police. Assistant Chief Lackey and I later promoted three new lieutenants to our command staff along with five new sergeants and four new corporals. On top of the new supervisors, we also added two more School Resource Officers, and a new Community Police Officer. In the Criminal Investigation Division, we added four new detectives. Since my appointment as Chief, we have hired 18 new employees. Most of these have been police officers, but we have also hired dispatchers and clerks.

This report will show our data on calls for services, arrests, citations, and more. When it comes to transparency, I feel it is important to be upfront with this data. The information allows us to see what we need to improve on based on growth and the needs of our community. As Boerne grows, we know traffic is increasing along with property crimes. We will continue to search for new ways of deterring criminal activity from occurring while maintaining our respectful and professional service. Technology is very important to us but I still believe in old fashion police work. It is essential for our officers in uniform and detectives to work together and solve cases.

I am excited to see what 2023 brings us. I am excited for our PD family and will forever be grateful for all of our employees who serve every day and night to make this community great. I applaud our staff for being there and for keeping up with the changes new leadership brings. I hope you will enjoy this report and know that the Boerne Police Department is here to protect and serve this community. God Bless you.

The Boerne Independent School District (BISD) is comprised of 2 High Schools, 3 Middle Schools, 7 Elementary Schools, and the Boerne Academy. Student enrolment for the school district is approximately 10,000 students and 1,300 staff members. Currently, there are 12 School Resource officers for the school district, 8 from the Boerne Police Department, 2 from the Kendall County Sheriff's Office, and 2 from the Fair Oaks Ranch Police Department. Each school resource officer must complete a competitive application process. Once selected, they are required to complete numerous continuing education hours to remain proficient with laws, tactics, and current trends. At the root of every SRO are professionalism, dedication, empathy, and compassion. With their primary goal, “to serve and protect,” SROs also serve as mentors, counselors, and role models for the school district. Even though the primary responsibility is safety and security, SROs still excel at developing strong, meaningful relationships with students, parents, and staff.

Officers for the Reserve Officer Program must meet the same standards as other members of the organization. Reserve Police Officers should fulfill two primary functions. First, Reserve Officers serve as auxiliary manpower in situations as needed and second, they provide an additional interactive link between the community and the police department. Reserve Officers are subject to all the applicable Rules & Regulations and training that govern regular sworn personnel.

The Boerne Police Department patrol division, supervised by Lt. James Schmidt, is comprised of 24 hard-working and dedicated patrol officers. There are currently 4 patrol Sergeants, and 4 Corporals who supervise the patrol officers during their 12-hour shifts.

The patrol division plays a very important role as the face of the police department. Our patrol division proudly sets a visible example of excellence in policing. They are the first to respond to the citizens of Boerne in need of assistance, and consistently provide a high level of service to the community.

The duties of the patrol division include enforcing traffic and criminal laws, assisting motorists, responding to calls for service, and assisting the community. The patrol unit responds to all types of calls including EMS calls, Fire calls, disturbances, possible intoxicated drivers, and yes even ducks in the roadway. The patrol division attempts to be as proactive as possible in reducing crime by being visible throughout the day patrolling neighborhoods and enforcing traffic violations.

Our patrol officers also provide protection for the community’s students by maintaining a strong presence in the City’s school zones. In addition to the above mentioned patrol duties, our dedicated patrol officers continue to work around the clock to provide the community with excellent customer service in all facets of the job.
The Boerne Police Department’s Criminal Investigation Division (CID) is supervised by Lieutenant Chris Walk. The division consists of an Investigations Unit, a Narcotics Detail, and the Property and Evidence room. CID consists of four detectives, one administrative assistant, and one property and evidence technician, while the Narcotics Detail consists of two additional detectives.

The detectives are responsible for investigating crimes within our community that are reported to the patrol officers in the field. In 2022, the detectives were assigned 664 cases which averaged 55 cases a month. Detectives have attended specialized training in gathering of facts and collecting evidence for criminal cases. They conduct interviews, examine records, observe the activities of suspects, process crime scenes, and participate in raids and arrests. Our detectives are continually being cross trained to handle all types of criminal offenses/incidents. This approach establishes a more rounded detective who is trained with the latest techniques in all offenses rather than being limited to one specific type of offense.

Consequently, through a “team effort” combined with detailed investigations, our goal is to solve as many cases as possible. Services for the victim are sought as needed and the case report is then referred for prosecution to the 451st Kendall County District Attorney’s Office.
The records and administrative duties of the police department are performed by our administrative team, consisting of Maria Guerrero, Cheryl Reed and Chad Irvin. Among many other duties, this team manages the collection, dissemination, maintenance, filing, retention, and control of all departmental reports and documents.

Administrative duties also include the development of reports for national and state agencies as mandated by law. The continued maintenance of the department’s budget and equipment inventories, including warranties and general maintenance schedules also fall under their day to day function. This team handles all internal human resource needs and facilitates those issues with our city Human Resource Department. We are very fortunate to have this dedicated team who always possess an outstanding attitude and are customer service focused with external and internal customers alike.
The Boerne Police Department Emergency Response Team (BPD ERT) is expected to perform at higher levels in all aspects of their work. The Emergency Response Team Operators undergo numerous hours of training to remain proficient with specialized skill sets. Training consists of, but not limited to, breaching, entering buildings, team movements, officer extractions, high-risk warrant service, firearms training, and general tactics. The overall goal is to minimize the risk to both the public and police officers.

The Emergency Response Team is comprised of two units, Crisis Negotiations (see page 28) and the Tactical Unit led by Sgt. Patton. Currently, the tactical team has 2 five-man teams (Alpha and Bravo) and 1 team leader for a total of 11 operators. Members of the team are full-time patrol officers who selflessly dedicate their personal time to train and respond to requests from the police department's ERT commander.

Becoming an ERT operator carries substantial responsibility. Officers join the team by successfully completing a thorough screening process. Applicants begin by submitting a letter of interest. Officers must also be recommended by their immediate supervisor, and be in good shape. Applicants must be in good standing with the department and pass a board interview with existing operators of the team. Upon completion, candidates must pass a physical agility test in conjunction with a firearms proficiency test. Standards for both tests are considerably higher than patrol standards.

The second component to the ERT is the Crisis Negotiations Team led by Sgt. James Schmidt. This team continues to train on planning/gathering intelligence to understand who or what they are dealing with, hostage negotiations, and paying attention to intricate details that would be crucial to relay to the tactical team prior to putting officers at more risk than is absolutely necessary.

The members of the Boerne Emergency Response Team continue to strive towards perfecting their skills. Their dedication to the team, Department, and community is truly admirable.
The Boerne Police Department currently has 14 members on the Crisis Negotiations Team (CNT). These team members are dedicated to responding to people in crisis. The team is commanded by Chief Steve Perez and led by team leader Sergeant Lisa Rowe. The team works hand in hand with the Boerne Emergency Response Team (ERT) and trains regularly in scenario-based training to ensure a good working relationship between teams. The cooperation of these teams is crucial in a crisis event as both teams are often required for a safe resolution. The team is comprised of officers and dispatchers from multiple divisions, including Patrol, CID, Dispatch, and School Resource Officers.

To become a member of the CNT, a member must be dedicated to the negotiator's approach. Members of the CNT must attend a specialized course and become certified Hostage Negotiators. They also train together for 4 hours a month. This training can include both instruction-based classes and scenario training. The instruction-based classes pertain to dealing with different types of subjects in crisis events and how certain mental illnesses might affect a subject's behavior. These could include but are not limited to Post Traumatic Stress Disorder, Anxiety, Depression, Schizophrenia, or Psychosis, to name a few. Scenario-based training includes dealing with subjects that are suicidal, barricaded, or in hostage situations. The CNT utilizes many different venues to train to allow for the most versatility in a real-life incident.
The Boerne Police Department K9 Detail is comprised of two K9 teams; K9 Tucker with Officer Pedro Moncada and K9 Emma with Officer Brandon Goudreau. Both K9’s are trained to find missing persons, track criminals, conduct building searches, detect narcotics, and protect their handlers if the need arises.

In 2022, we had nearly 200 requests for deployments with 30 arrests. These requests came from not only fellow Boerne Police Officers, but our local, state and, county partners as well.

The Boerne Police K9 Detail also conducted numerous K-9 handling demonstrations for local community groups, educational institutions, and religious organizations. The Boerne Police K-9 unit appreciates the continued support it receives from local businesses such as the Kendall County Veterinary Center, for donating medical bags, and their veterinary services for both K9s.
K-9 Tucker joined the Boerne Police Department in February 2017. K-9 Tucker is a 6-year old female Belgian Malinois. K9 Tucker and her handler, Officer Pedro Moncada train in excess of 16 hours per month with other K-9 teams.

Officer Moncada and K9 Tucker spent countless hours training on their own on their days off. Tucker has been deployed over 408 times, and has assisted with a total of 144 arrests since August of 2018, when Tucker and Officer Moncada became a team. Tucker has assisted in taking over 3530 grams of marijuana, 298 grams of methamphetamine, 202 grams of cocaine, 16 grams of heroin and 20 grams of ecstasy off the street. They have also taken two guns off the streets and several thousand dollars were seized.

Officer Moncada and K9 Tucker attended several community events and do school presentations in the City of Boerne. Officer Moncada and K9 Tucker look forward to another exciting and rewarding year working for the citizens of Boerne and Kendall County.
K9 Emma is a 4 year old Belgian Malinois/German Shepherd mix. The mix of these two breeds creates a hybrid law enforcement-ready work dog that is extremely agile and has an excellent sense of smell. K9 Emma is a Dual-Purpose Patrol dog. She is trained in criminal apprehension, tracking, and narcotics detection.

K9 Emma was purchased from Czechoslovakia and then trained at Pacesetters K9 in Liberty Hill, Texas. K9 Emma and her handler Officer Brandon Goudreau, attended a 4 week training course at this location. Officer Goudreau trains with K9 Emma every day to keep her skills sharp. K9 Emma has been on the streets of Boerne since June of 2019.

Since then, K9 Emma has been deployed 161 times with a total of 105 arrests including 6 criminal apprehensions. K9 Emma has assisted in locating a total of 55 kilos of Marijuana/THC, 300 grams of Methamphetamine, 25.2 grams of Cocaine, 9 grams of Ecstasy, 20 grams of Heroin, $23,054.00 in U.S. Currency, over 300 items of drug paraphernalia and 10 stolen firearms.
Officer Dingman is the Community Policing and Events Officer for the Boerne Police Department and is in charge of coordinating all special events in the City. Officer Dingman assisted with various event permits in coordination with the Parks and Recreation Department. Officer Dingman attends several meetings per event and conducts many hours of planning and scheduling in order to ensure each event are safe. In addition to special events, Officer Dingman coordinates business meetings with business owners across the city to encourage better practices.

This year Officer Dingman obtained his Bachelors of Arts in Criminology and Criminal Justice from the University of Texas at San Antonio. Officer Dingman’s certifications include Basic TCOLE instructor, Field Training Officer, Mental Health Officer, Child Seat Certified Technician, and C.R.A.S.E Instructor.
The Boerne Police Department takes Community Policing seriously. Community policing is the practice of working with the community to better protect and serve its citizens. The Boerne Police officers enjoy interacting and getting to know the community it serves as much as possible.

COMMUNITY POLICING

Chief Perez and Assistant Chief Lackey at National Night Out

K9 Handler Corporal Moncada and K9 Tucker at National
In 2022, Boerne National Night Out was one of our bigger events for the year. This was our 8th year participating and applying for the awards program. This year, we placed 8th in Texas, and 25th nationally. These numbers were based in category 4 (15,000-50,000 population) Thank you to all the community members, event planners, and first responders, without your help this is not possible. We hope to see everyone next year!
Beginning in 2019, the Boerne Police Department re-established their Law Enforcement Explorer Program. The Explorer program is intended to show youths between the ages of 14 and 20 years old the career opportunities available in law enforcement. Program training areas include, but are not limited to, patrol tactics, forensics, communications and criminal investigations. Exploring provides experiences to aid young people in their development in becoming responsible and caring adults. The program teaches key skills such as leadership, ethical insight and decision-making. In 2022, the Explorers were assigned a uniform that consisted of a blue polo and dark grey pants. Basic equipment was also assigned: a black duty belt, a blue gun, blue gun holster, handcuffs, handcuff holder, handcuff key, keepers and a traffic vest.
Blue Santa 2022

The Blue Santa Event 2022

The annual Blue Santa Event this year is a collective effort between the Boerne Police Department, Kendall County Sheriff’s Office, and Hill Country Family Services. This year with the help of our sponsors our program helped 156 families and 581 children.

The organizations divide a list of needy families in the area and toys are donated or purchased new and handed out during the event. This year’s event was a “Drive-Thru” held at the Kendall County Sheriff’s Office. This event would not be possible without the generous donations by our local community members and businesses.
The Boerne Police Foundation is a nonprofit 501(c)(3) corporation formed to facilitate donations of money and resources, which are used to benefit local law enforcement officers and their families. The Board Members volunteer their time and are not paid for their service to the Boerne Police Foundation. All donations to the Boerne Police Foundation are tax deductible.

In 2022, 33 merits for outstanding service were issued; Many of these merits were initiated by those we serve, lending further credit to the caliber of employees that makeup the Boerne Police Department and a direct result of administration’s effort to provide unparalleled service. Congratulations to all and keep up the good work!

In an effort to ensure accountability within the department, we track all complaints. This includes origin as it relates to an internal or external complaint. In 2022, we documented 32 complaints. In the handling of complaints, a supervisor will follow up with the complainant and exhaust all avenues to ensure our department maintains the level of professionalism our citizens and this community deserves. Of the 32 complaints, 23 were unfounded, and 9 were sustained. Of the 32 complaints, 22 were external and 10

**Definitions:**

The Chief of Police will classify completed internal affairs investigations as:

1. **Unfounded** - no truth to allegations or allegations true, but are the result of adherence to departmental policy or procedure. Exonerated complaints will be reviewed by the Chief of Police for policy issues.
2. **Inconclusive** - unable to verify the truth of the matters under investigation.
3. **Sustained** - allegations are true.
The chief administrator of the agency, regardless of whether the administrator is elected, employed, or appointed, is required to submit an annual report of the racial profiling information collected under Subdivision (6) of the Texas Code of Criminal Procedure to:

- The Commission on Law Enforcement Officer Standards and Education
- The governing body of each county or municipality served by the agency, if the agency is an agency of a county, municipality, or other political subdivision of the state

The Boerne Police Department chooses to report a Partial Exemption or Tier 1 Reporting. The agency is stating it routinely performs traffic stops or motor vehicle stops and the vehicles that routinely perform these stops are equipped with video and audio equipment in which these videos are maintained 90 days after the stop as per, Texas Code of Criminal Procedure Article 2.135.

2022 Racial Profiling Report
The Boerne Police Department’s 2022 Racial Profiling Report includes information on the number of traffic stops conducted by officers, as well as information on race/ethnicity, gender, searches, and results of stops. Below are key takeaways from the report. The full report can be found on our Web page.

- Total Traffic Stops: 6,258
- Searches Conducted: 442
- Racial Profiling Complaints filed: 1
- Complaints resulting in disciplinary action: 0
