

**ONE-TIME SEWER ADJUSTMENT REQUEST  
ON  
RESIDENTIAL SERVICE**

DATE \_\_\_\_\_

Due to high water usage during the city of Boerne's sewer calculation months, December-March, I am requesting a one-time sewer adjustment.

I am aware that during the City's next sewer calculation period, next December-March, I will be required to use the water consumption/sewer average calculated by the City based off my actual water usage.
