A. ELIGIBILITY OF PLAYERS/TEAM ROSTERS

All team registration is done by the team manager. All teams must follow the proper registration procedure to be eligible for league play. An official roster is a form provided by BPARD that includes team manager, assistant manager, and all players first and last names. Rosters could also include email, phone numbers, etc. Completed rosters are due prior to the first game and will result in forfeiture should it not be turned in by deadline. Rosters are kept at the BPARD. It is the manager’s responsibility to make sure a roster is current. In the event a player is suspended and not listed on the team roster that is on file with BPARD, the entire team could also be suspended. A roster MUST be turned in to the Recreation Coordinator on the FIRST NIGHT OF LEAGUE PLAY. Coordinators will have the rosters at the field each night. All players MUST sign the roster before they can play. A team may not add new player(s) to their roster after their 4th regular season game.

B. All league teams will have a roster on record with the BPARD. If a roster is incomplete, protests may result in a forfeit.

C. City league rosters may carry a maximum of fifteen (15) players.

D. All players participating must be 17 years or older. 17 years of age must have parent’s consent form filled and turned in to the BPARD office.

E. A player, who has been suspended from league play for any reason and who has not been reinstated, shall be considered an ineligible player until he/she schedules a meeting with the Director of Parks and Recreation to discuss the suspension.

F. To become eligible for participation, each player must be listed on the official adult team roster of the team he/she is playing on. A player becomes eligible immediately upon completion of this process and payment in full.

G. A player can participate on only one team at a time, that being the team for which he/she is listed on the official team roster. Players found to be playing on a team other than the team for which he/she signed the team roster will be dropped from the program. The team(s) found to be using ineligible player(s) must forfeit all games in which the ineligible player(s) participated.
II. PLAYERS AND EQUIPMENT

A. A player cannot wear anything that is dangerous to another player. Headbands may be worn as long as there is no knot in it. Hair-clips made of metal will not be allowed, but "scrunchies" or other elastic hair retaining devices are acceptable. No hats or knotted bandanas will be allowed. Failure to remove the article at the referee's request may disqualify that player from the game. Under no circumstances will a player wearing a cast or splint be allowed to play.

B. NO Jewelry.

Participants are NOT permitted to wear any visible jewelry. This includes any metal or plastic hair bands and bobby pins.

** Exceptions to the jewelry policy are medical alert bracelets and necklaces, but they have to be taped down as not to be a hazard to other players. The player must supply his/her own tape. BPARD WILL NOT provide band-aids or athletic tape to cover jewelry items. If covered, jewelry must remain flush with the skin and not be protruding out; this is for the protection of all participants.

C. Shoes/Shin Guards

Each player must wear shoes. The shoes must cover the feet and be made of a soft pliable upper material (canvas, leather, or synthetic) attached to a molded bottom which may or may not have rubber cleats. No exposed metal may appear on the shoe. Shoes must be worn at all times. Shoes with front toe cleats, softball cleats, shoes with a raised heel, sandals, boots or hiking boots will not be allowed. No metal or steel cleats or spikes will be allowed to be worn. All cleats must be rubber or plastic or some other similar acceptable material. The referee has the authority to make a ruling regarding the legality and safety of a player’s shoes, and illegal shoes must be changed before the player is allowed to continue playing. In addition, shin guards are highly recommended. If shin guards are worn, they must be completely covered with socks.

D. Teams must register their team color with the Boerne Parks & Recreation office. In the event two teams have a duplicate color jersey, the home team will be required to change jerseys. A player must have sleeves on his/her undershirt if he/she is wearing a jersey from the BPARD Office. If a team does not choose to wear the jerseys provided for it, the team must all wear jerseys of the same color and that will distinguish it from the other team. The jerseys must have different numbers. Goalkeepers will wear colors that distinguish them from other players and referees. Opposing goalkeepers may wear the same color.

E. Teams must provide their own soccer balls for warm-up. The game ball must be provided by BPARD.

F. BLOOD RULE – Players who sustain injury causing an open wound will be required to leave the game. A player may not re-enter the game until the flow of bodily fluids is stopped and the wound is covered.

C. Pick up players: A maximum of three (3) pick up player(s) can play and be protected from any protests from the opposing team IF the manager picking up the player(s) approaches the Recreation Coordinator and referee before the game begins so that opposing team can be informed. The opposing team will then be given the choice to allow play or take the forfeit. Opposing team will have no say in who pick up players can/will be. Pick up players must be on a current BPARD league roster. Teams will not be allowed to pick up beyond a 7 player line-up.

D. Goalkeepers can only use their hands inside the penalty area.

E. Goals may be scored from anywhere except directly from goal kicks, kick-off, throw-ins, indirect free kicks and goalkeeper throws.
